TASMANIAN FIELD NATURALISTS' CLUB

EASTER CAMP - 1963

73 B

At Pine Creek, north of Marion Bay, April 12th to 16th.

The Camp Committee has selected Pine Creek for this year's camp, the campsite being near the ocean, opposite Maria Island and slightly south of Hellfire Bluff. This is an ideal situation with the particularly mild climate of the East Coast; it should make a very strong appeal to members and be of great interest to nature lovers and bush walkers, particularly as the T.F.N.C. has not previously had its Easter camp there. Interesting trips with outstanding coastal views, including a spectacular blowhole will be arranged.

Because in the past some members have failed to let the camp organisers know until the last minute whether they intend to come, it has been very difficult to place orders for stores and to engage camp staff. For this reason it has been decided to include a notification form with this circular. All members are requested to fill in this form and leave it at Mr. Sargison's shop, 21 Elizabeth Street, Hobart, not later than Thursday, 21st March, 1963, so that arrangements can be made in time. THIS IS URGENT. DON'T DELAY or you might find yourself left out.

Camp Fees (payable in advance) are:-

Camp fee £7. 0. 0.

School children, irrespective  
of age, if accompanied by one  
or both parents £5. 0. 0.

The Club usually relies on a small team of willing workers to get the camp ready but would appreciate more workers in the advance party, and therefore hopes other members may be able to accompany the party this year. Intending advance party members should advise Mr. Sargison as soon as possible.

WEEK END before Easter, Saturday 6th April to Sunday 7th April.

Volunteers are needed. If you cannot be in the advance party full time, your attendance for the week end will be a great help in setting up the camp. Please advise Mr. Sargison if available.

Dates and times

Friday, April 5th (from 2 p.m. on). Hands wanted to commence loading equipment on the lorry.

Saturday, April 6th (8 a.m.). Hands wanted to complete loading of lorry, after which advance party leaves for Pine Creek.

Thursday, April 11th (7 p.m.). Main party leaves by bus for Pine Creek.  
(Assemble at Franklin Square 15 minutes beforehand.)  
Camp should be reached by approx. 9 p.m.

Tuesday, April 16th. Camp ends; depart for Hobart approx. 2.30 p.m.

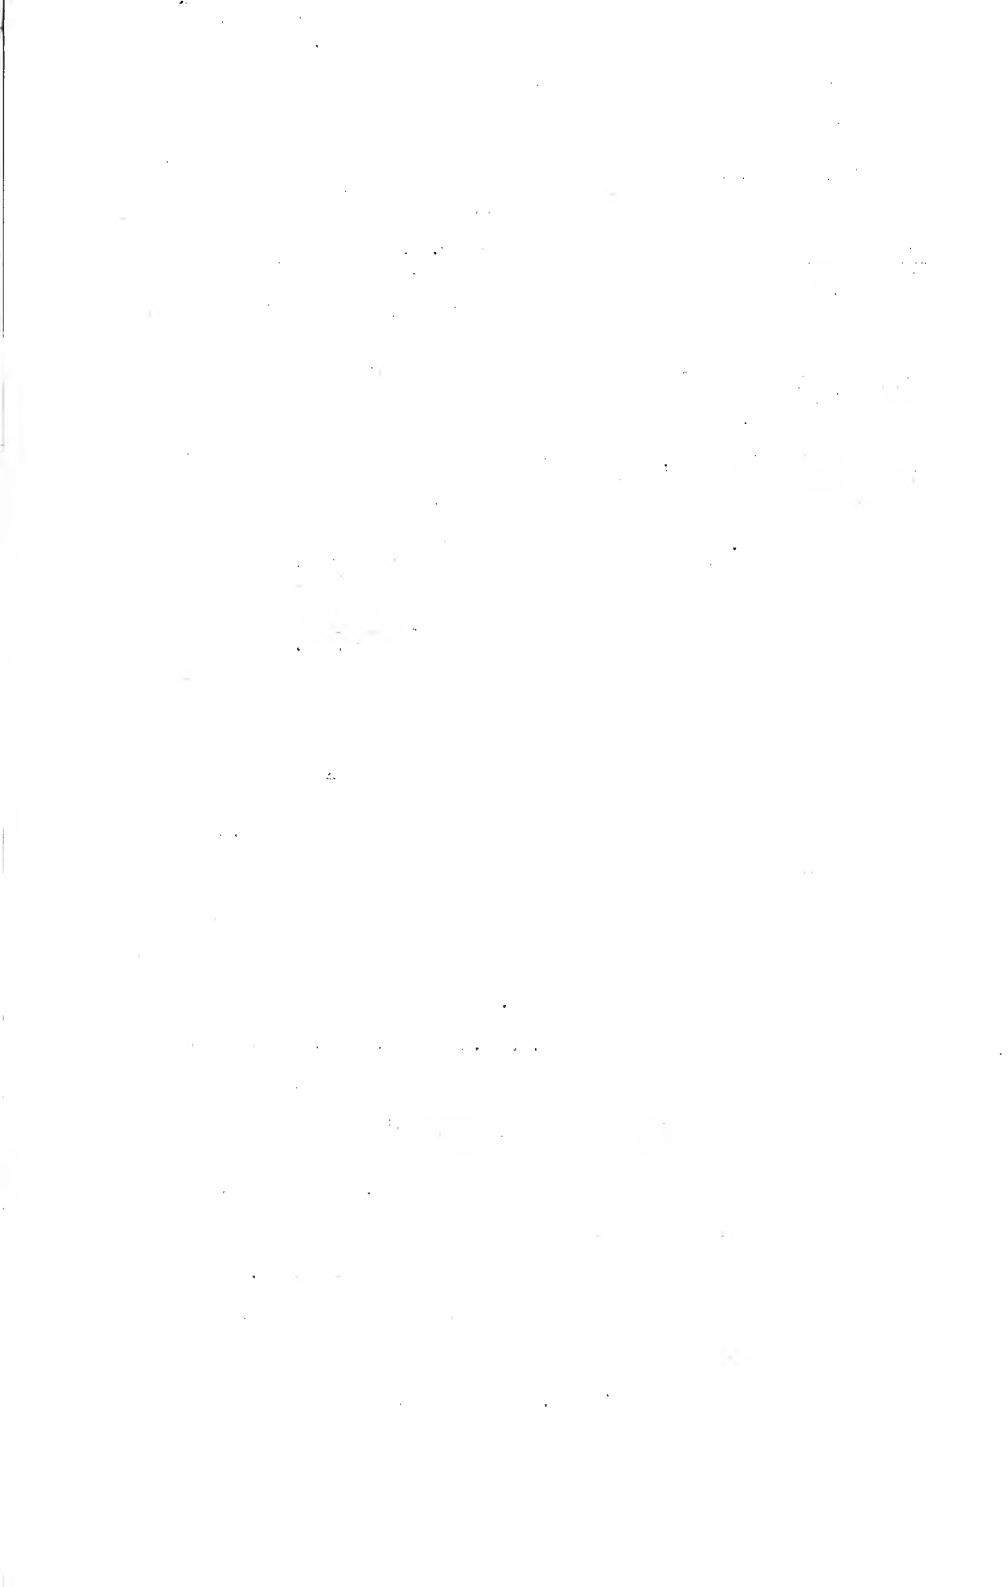

Heavy baggage (suitcases, rucksacks, blankets, camp beds) must be delivered to 33 Mortimer Avenue, New Town, NO LATER THAN THURSDAY, APRIL 4th. This must be labelled with owner's name and also "Field Naturalists' Camp". Tie labels on strongly. Light luggage (toilet gear etc.) may be brought by bus on the Thursday night.

To avoid disappointment, DON'T FORGET THE DATES AND THE NECESSITY FOR EARLY BOOKING AT MR. SARGISON'S SHOP.

HON. SECRETARY

(Miss) E. Aves,  
26 Red Chapel Ave.,  
SANDY BAY. (5 1742)

9th March, 1963

The speaker will be Mr. J. A. Davies, who will  
speak on "The Brothers of the Union" and will  
show a series of slides of a genealogical record of the Davies family.

#### CLUB COUPONS

On Saturday, 25th Jan, Mr. J. Davies will lead an outing  
to the beach. Private cars will leave at 10.15 a.m.

On Saturday, 26th Jan, Mr. J. Davies will lead an outing  
to the Sphinx Rock on Mt. Wellington. Bus leaves Franklin Square  
at 10.15 a.m.

SUBSCRIPTIONS: This is the last warning to members who have  
not paid. Please pay your subscription to Mr. J. Lewis, Woolworths,  
21 Elizabeth Street, or we will be unable to send you further  
circulars.

CLUB BADGES are available at Mr. Sargison's shop, 21 Elizabeth  
Street at 7/6 each.

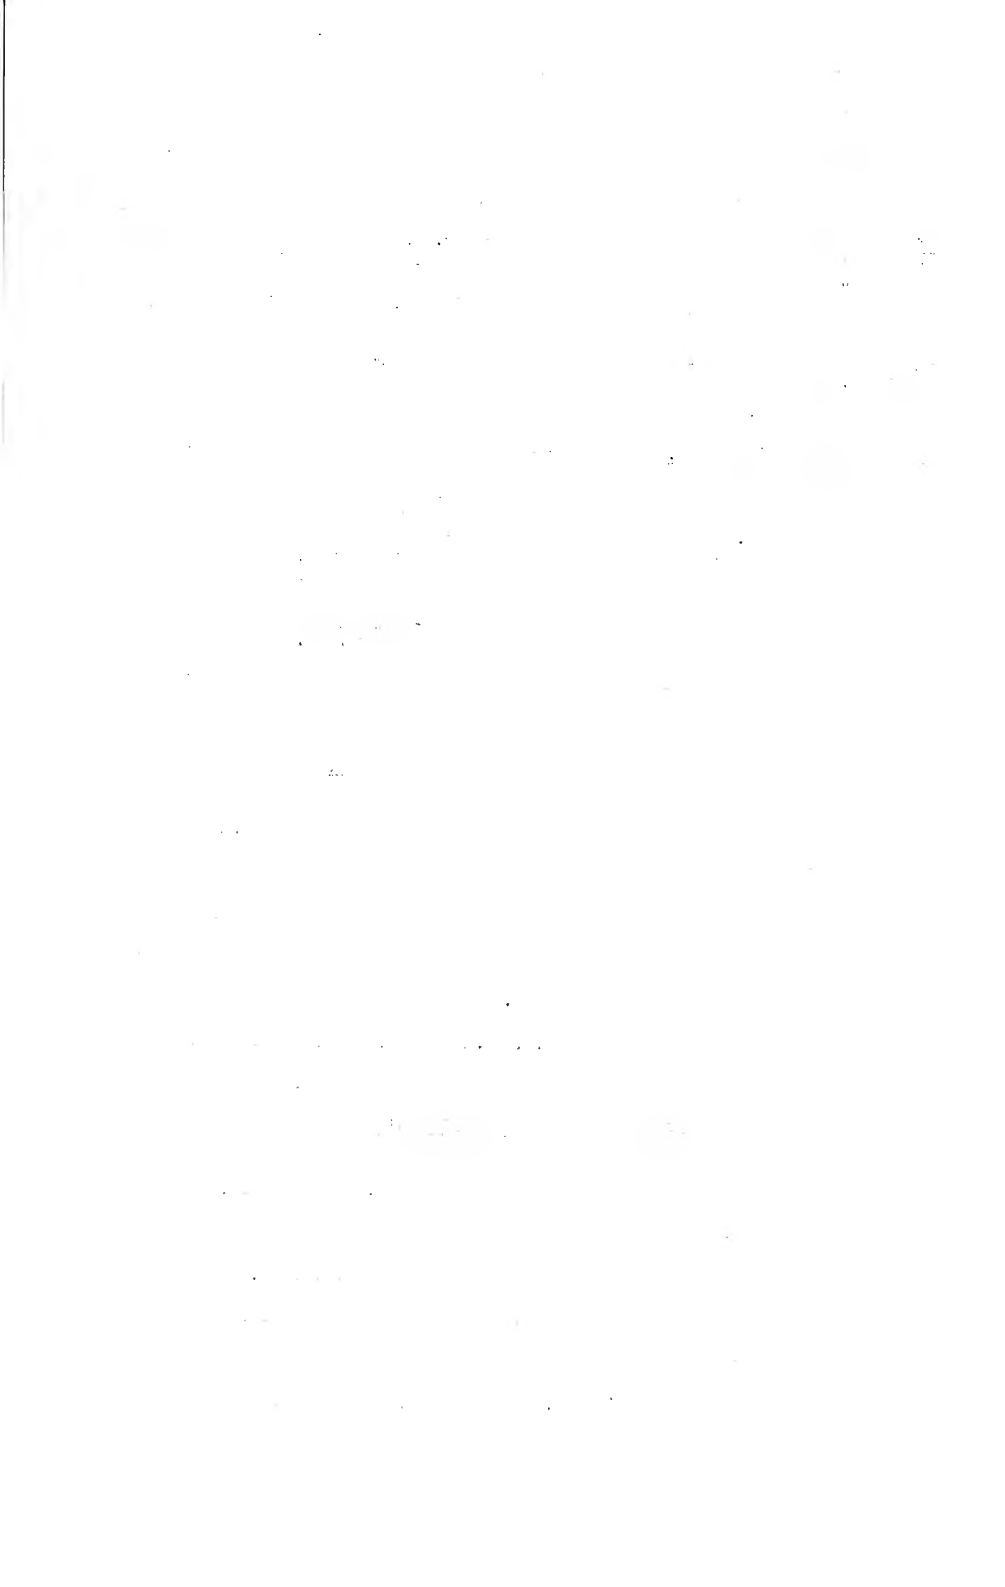

SCIENCE CONGRESS: The 37th Advancement of Science Congress  
will be held in Canberra from 20th - 24th January, 1964.  
Would any members wishing to attend please contact the Secretary for  
further details. These congresses are held every year and are well  
worth attending.

SOUTH WEST COMMITTEE: The Secretary has received a copy of the  
draft constitution for this committee and any members wishing to read  
it may do so at the meetings.

Hon. Treasurer: Mr. J. Lewis,  
Box 88 J, G.P.O.,  
Hobart.

Hon. Secretary: Miss E. Aves,  
26 Red Chapel Avenue,  
Sandy Bay.

(5 1742)

SPECIAL GENERAL MEETING: Notice is hereby given for a  
 a) General Meeting to be held on 18th July, to move the  
 wing amendments to the Rules.

10. If amended, would then read: The Club will consist of: (a) Honorary Life Members, (b) Ordinary Members, (c) Junior Members.

The nomination of any member as an Honorary Life Member shall be approved by the Committee and the election shall be conducted in the same manner as that of an Ordinary Member.

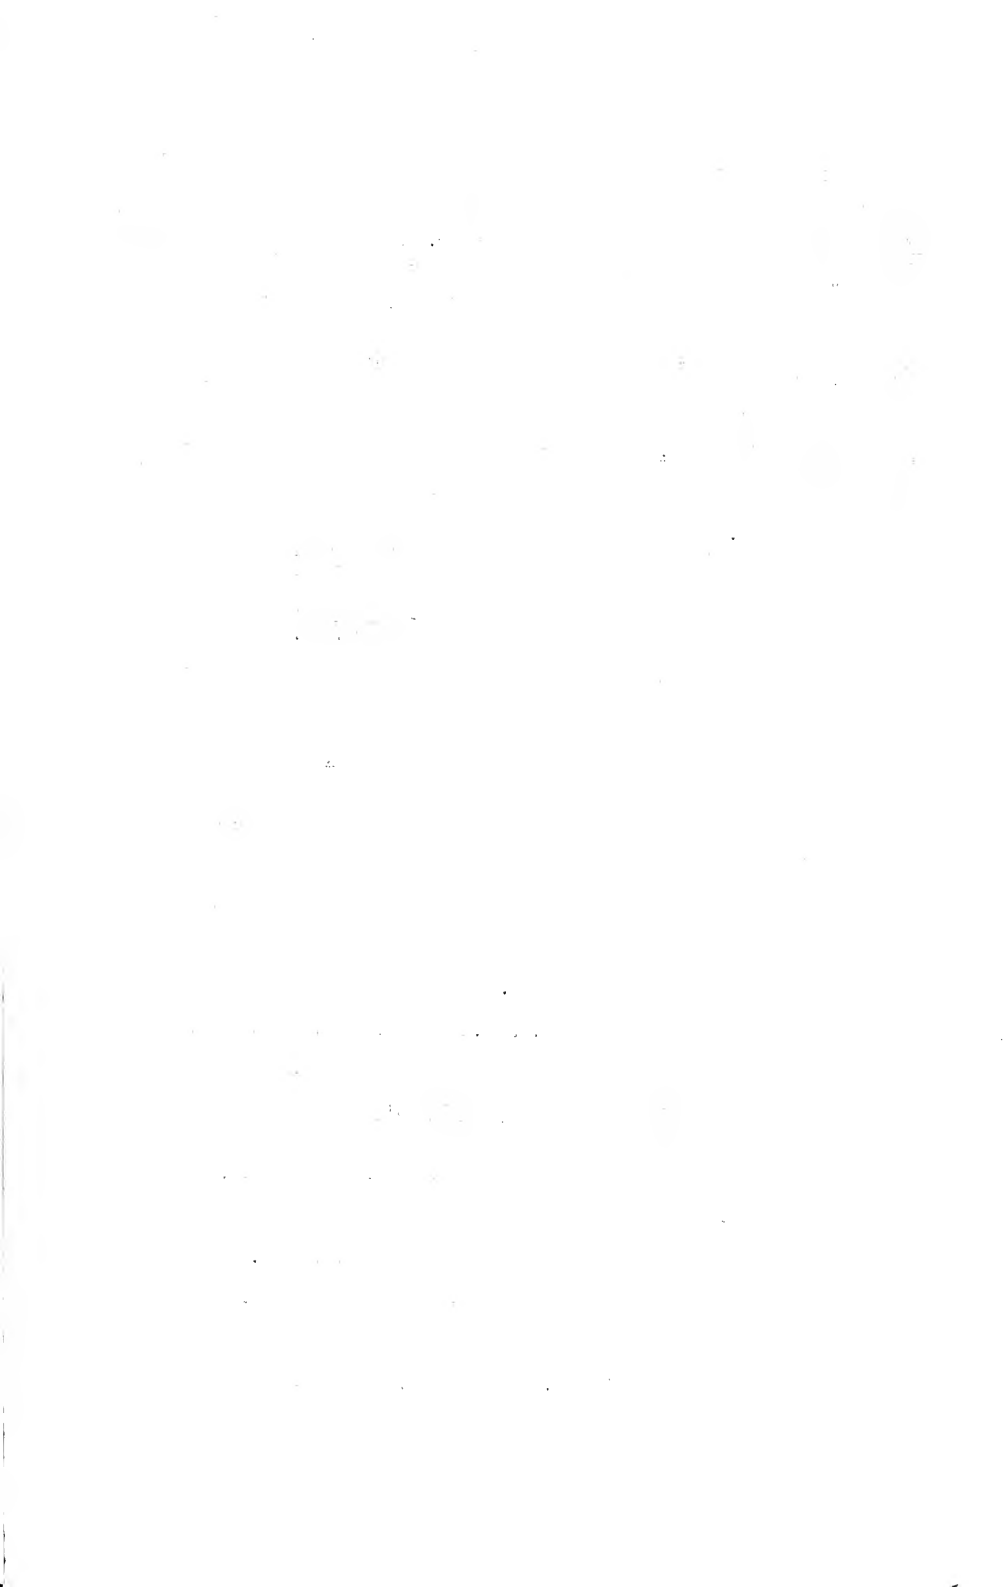

Junior Members shall be under the age of sixteen years. The annual subscription of Junior Members shall be as determined by the Club from time to time, two shillings to be allocated as payment for the monthly bulletin.

FIELD OFFICER:

SCIENCE CONGRESS: The 37th Advancement of Science Congress will be held in Canberra from 20th - 25th January, 1964. If any members wish to attend, please contact the Secretary as soon as possible.

Hon. Secretary: Miss E. Aves,  
26 Red Chapel Avenue,  
Sandy Bay.

(5.1742)

On Saturday, 10th July, Mr. L. Woodford will lead an outing to Richards Bay, near Sandford. Private transport will be used, leaving Prince of Wales Theatre at 10 a.m. Names to Mr. Woodford please, for transport arrangements.

#### FIELD COURSES

On Saturday, 10th August, Mr. L. Holt will lead an outing from Geilston Bay to Flagstaff Gully. Catch Geilston Bay bus, leaving Fitzgerald's, Collins Street at 10.15 a.m.

T. F. N. C. ADDRESS: To make the collection of mail easy the Club now has a Post Office Box, Number 684 and all mail should be addressed to this number.

FEDERATION OF FIELD NATURALISTS' CLUBS: The minutes of the Annual General Meeting of the Federation, held in Launceston on Saturday, 16th March, 1963 will be on the table at the next two general meetings.

LAUNCESTON FIELD NATURALISTS' CLUB: The Secretary has received the Syllabus for July - December, 1963. This will be on the table at the next two general meetings.

STATE FLORAL EMBLEM: This matter has been under discussion from time to time since 1934 and on 5th December, 1962 a proclamation was issued in the Tasmanian Government Gazette formerly accepting Tasmanian blue gum, *Eucalyptus globulus* as the floral emblem of the state of Tasmania. A brief report on the progress of this matter will be on the table for members to see.

THE ADULT EDUCATION BOARD: is holding classes in a wide variety of subjects including Starting Housekeeping, Gardening in the Winter, Flower Arrangement, Zoology - Life of the Bush, Water & Land and many other varied topics.

- (a) Length
- (b) Number of individuals
- (c) Number of teeth (if any)
- (d) Colour pattern in detail.

This is a simple way of helping to add to scientific knowledge of our native life, and all members are asked to co-operate.

## The recent discovery of a lyre bird's nest at Hastings

Mr. L. E. Wall writes:

Some members may have been disturbed by the news report that the egg was removed from the nest. Here is the story to reassure you that it wasn't sheer vandalism.

On Thursday, 27th June, Mr. Skinner, the ranger at Hastings, and his assistant were cutting run-farms some distance from the Caves track to lay the trunks, corduroy fashion, as an improvement to the track. Having felled one about 8 feet high they discovered the nest in the crotch of the fern and the egg inside it. The nest was damaged in the fall and it was obvious that the bird would abandon it, so the egg, which appeared quite fresh, was removed and the ranger reported the find to Mr. Bassall of the Tasmanian Government Tourist Bureau, who told me of it on Friday, 28th June.

I visited Hastings the following day, and brought back to Hobart both the nest and the egg. The nest has been deposited at the Tasmanian Museum where it may be used for a display. It was at the suggestion of Mr. Skinner that I discussed with the Fauna Board Chairman, Dr. Guiler, the possibility of attempting to incubate the egg to determine whether it is fertile and he agreed with the suggestion. If this is not successful the egg will also be handed to the museum.

FAUNA SANCTUARY PARK: A letter has been received from J. Cruise and J. Camiller in relation to the making of a Fauna Sanctuary Park. Extract: "The Sanctuary could develop a greater public appreciation of the important principle of preserving fauna as well as provide a centre for the study and breeding of Australian fauna. Wild life, native to Tasmania could be farmed for release in the State's National Parks to help increase and protect the number of native species. The Park could also possess native botanical plots. Following Healesville's (Vic.) example an additional bushland could be attached to the Park and once the area had been fenced in, the farmed animals could be released into the bushland for complete free animal display - nature trails could also be established. Under these conditions the Sanctuary and Park would permit valuable research work to be carried out under excellent circumstances."

Before a reply is sent to this letter, the Committee would like to know the opinions of the members of our Club.
